High Notes Avante is a registered charitable organization dedicated to using the power of music to support people touched by mental illness. We use music to inspire hope, build confidence, and create community. Through our programs, we offer free and subsidized music lessons, workshops, and performance opportunities to promote better mental health. Your support helps us continue this important work and expand our reach.

By sponsoring High Notes Avante, you are helping us provide access to professional music instruction, quality instruments, and mental health-informed programming that empowers participants on their journey to recovery and wellness. Our sponsors play a vital role in breaking down stigma, supporting mental health initiatives, and fostering a compassionate, creative community.

We invite you to join us as a sponsor and be recognized for your commitment to making music a force for healing and connection.

“Your kindness and empathy vis-a-vis our collective mental health struggles is unsurpassed.”
